

# STROBE LIGHT

## Application

Modular LED signal tower ,suitable for larger machines. Increased visibility at great distances with a modular design. LED Signal tower Series offers the latest in LED technology. Versatile and energy-efficient.

Application:industrial safety equipment,maintenance of machine status.

## Technical Data

Item Description	Led Strobe Warning Light LTE-3072
Voltage	DC12 V, DC 24V, AC 110V, AC 220V, AC 380V
Power	2W
Lamp Type	LED
Material	Plastic, ABS Base and PC cover
Fixing method	Screw fixing/Magnet fixing
Protection class	IP45
Color	Red, Blue, Yellow, Green
Function	Flash

## Dimension
