

Terminal Block TC Series

Application

Slicing thermosetting plastic, safety factor of big current is more reliable. Board type screw crimp connecting technology as structure parts. It's rated voltage is 600V, rated current of connecting conduct piece with specifications of 60、100、150、200、300、400、600A, with 10~300mm² cross-section. It can be divided into 3P、4P flat bolt installation, used with OT、UT termination point for connecting big current on different kinds of electric devices.

Specification & Outline

Code	Rated Current(A)	Wire section (mm ²)	Poles	Dimension(mm)				
				L	B	H	Φ1	Φ2
TC-1002	100	22	2	69.5	55.3	38.5	5.5	10
TC-1003	100	22	3	99.2	53.5	37.8	5.5	10
TC-2003	200	100	3	133	71	47.5	8	12
TC-2004	200	100	4	177.5	71	44	8	12
TC-3003	300	150	3	165	90.5	52.5	8	12
TC-3004	300	150	4	220	90.5	52.5	8	12
